

# Yao Blaise Eyrar ADABIOKOU

Manassas, VA 20109 · (703) 863-6877 · yadabiok@gmu.edu · <https://www.linkedin.com/in/blaise-a-65b853305/>

## PROFILE

Dedicated and collaborative individual, passionate about building a long-term career in the information technology (IT) industry. My interest in cybersecurity began when I realized that digital security is important in personal and professional environments. The challenge of thinking like a hacker to protect systems from malicious actors has triggered my curiosity and motivated me to pursue a role in which I could have a significant impact by defending against cyber threats.

## EDUCATION

**Bachelor of Science, Information Technology; Concentration: Undeclared**

*George Mason University (GMU) – Fairfax, Virginia*

May 2027

GPA: 4.0

**Associate of Science, Information Technology**

## PROJECTS

**Number Guessing Game**

August 2025

<https://rllyblaze.github.io/Number-guessing-game/>

- JavaScript app that generates a random number, validates user input, and provides feedback with limited attempts using DOM manipulation and event handling.

**Create portfolio website using YouTube**

May 2025

<https://rllyblaze.github.io/Blaise-portfolio/>

- Created a portfolio website by following YouTube tutorials, showcasing my ability to learn independently and apply IT skills in web development.
- This project highlights my initiative in building a professional online presence from scratch.
- It also demonstrates my practical experience with core IT tools and technologies.

## RELATED EXPERIENCE

**Professional Security Officer**

*Allied Universal – Chantilly, Virginia*

April 2024– Present

- Conducted routine patrols across 400 square feet, documenting daily observations and ensuring adherence to security protocols
- Compiled and submitted over 25 daily activity reports monthly, ensuring accurate compliance and documentation of operational records
- Facilitated communication with a team of security officers, relaying updates to contribute to efficient security coverage
